

## Checklist

			halyard
	tiller or wheel		pulleys
	emergency tiller		ring plates
	rudder		pole
Rig		Docka	<del>-</del>
	shrouds		cleats
	turnbuckles		fairleads
_	chainplates		fenders
	spreaders		bow and stern lines
	chandlery of mast		
			bow and stern springs
	climbing harness	Ancho	_
	equipment	_	bow roller
	pulleys, blocks		anchor, swivel, chain, wrap, bitter end
_	shackles	U	second anchor
	jammers		trip line
	halyard winches		windlass
_	sheet winches		black ball
	winch handle		boat hook
	2 emergency winch handle	Equip	ment
	guard rails and stanchions		towing rope
	pushpit		shroud cutter
	pulpit		hand lead line
	jackstays		toolbox
Mains		_	bucket with rope
	chandlery of boom		bailers
_	J		
	mainsail cover		water hose with connectors
	mainsail cover mainsail		water hose with connectors
	mainsail	Throu	igh-hull
	mainsail slugs	Throu	<b>igh-hull</b> wooden plugs
	mainsail slugs pockets and battens	Throu    -	<b>igh-hull</b> wooden plugs depth sounder
	mainsail slugs pockets and battens sheet	Throu	<b>igh-hull</b> wooden plugs depth sounder paddle wheel
	mainsail slugs pockets and battens sheet halyard	Throu    -	igh-hull wooden plugs depth sounder paddle wheel keel bolts
	mainsail slugs pockets and battens sheet halyard cunningham	Throu	igh-hull wooden plugs depth sounder paddle wheel keel bolts sink seacock
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment
	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum storm jib	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars pen and pencil
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum storm jib	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars pen and pencil
Heads	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum storm jib	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars pen and pencil
Heads  Spinna	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum storm jib	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  y gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars pen and pencil charts chart plotter (Breton, Cras, Portland) steering compass
Heads  Spinna	mainsail slugs pockets and battens sheet halyard cunningham reefing cringles clew outhaul traveller sail genoa or jib pre-feeder sheets halyard genoa track genoa car roller-furling drum storm jib aker spinnaker or genaker	Throu	wooden plugs depth sounder paddle wheel keel bolts sink seacock toilets seacocks shaft packing gland or saildrive seal  gauge: 100%=12.8 V, 50%=12,3 V cut-off switches spare fuses electrical cable and connectors cabin lighting ation equipment hand-bearing compass binoculars pen and pencil charts chart plotter (Breton, Cras, Portland)
